

Contents

1. Introduction	1
2. Models	6
2.1 Contract Structure.....	6
2.2 Stochastic Models.....	10
3. Two-dimensional CRR Models	14
3.1 Construction of Two-dimensional CRR Models.....	14
3.2 Valuation Framework.....	21
4. Numerical Analysis	25
4.1 Accuracy and Convergence.....	25
4.2 Sensitivity Analysis.....	32
5. Conclusions	37
References	39
Appendix	42
Appendix A: Change of measure from P^* -measure to P^T -measure.....	42
Appendix B: Dynamics under forward measure.....	44
Appendix C: Reviews of CRR models.....	46
Appendix D: The Markovian property of two-dimensional CRR models.....	48
Appendix E: The parameters for the second dimension CRR models.....	50
Appendix F: Monte Carlo simulation for $T = 3$	51
