I owe my deepest gratitude to my advisor, Wang Ding-shu, for his insights into Russia and for his teaching in Sino-Soviet relations, which had inspired me to undertake this project. He is truly a man of wisdom.

I'd like to thank my parents for always supporting me and giving me infinite opportunities to succeed. I'd also like to thank them for taking me to Russia to witness the country's splendor firsthand. This project would not have been possible if not for your confidence in me.

I am grateful for the numerous friends I have made in Taiwan. You have made my brief stay wonderful and have enriched my learning experience tremendously.
