

Acknowledgement

I gratefully acknowledge the encouragement and the guidance of the advisor, Dr Liu, mei-jun (劉梅君), in overseeing the development of this thesis. Her precious suggestions provide the direction for the achievement of this thesis. I also want to give my sincere thanks to the professors of the oral exam committee, Dr. Mei-hua Chen (陳美華) and Dr. Yen-wen Peng (彭滄雯), for their advices which gave me the inspirations to make the thesis with more integrity

I also would like to express my greatest thanks to the founder and the assistant of Le-yi organization, a non-official male-to-male sex worker club in Shanghai, for their help and arrangement. Also I wish to express my greatest thanks to the interviewees for their touching life stories which provided many precious data for this thesis.

I am also grateful to my friends Akai Chou(周群凱) and Rosa Huang(黃思懿) for their continuous encouragement and help in the process of the thesis writing.

Finally, I would like to express my immense gratitude to Arko Chou (周楠皓), who gave me the full support to carry out my dream. Without his effort in taking care of my life when I attended the classes and worked on my research, it would have been impossible for me to finish my study.
